High gaslift chairs and stools for cleanrooms and laboratories

Applications

All areas where cleanliness and hygiene are of paramount importance:

- ☐ Pharmaceutical
- ☐ Medical
- ☐ Healthcare
- ☐ Food
- ☐ Biotechnology
- ☐ Research
- ☐ Education

MODEL TC311B	MODEL PU4	MODEL PU151

Sterile Task chair supplied with a HEPA filter which acts to restrict the expulsion of particles as well as the absorption of bacteria into the chair.

Solid polyurethane chair, suitably robust and easily cleanable for all general industrial environments.

Round solid polyurethane stool top with a ring action. Three heights of gaslift.
